A one-man show which combines **explosive energy, humor, folklore, dance, and rap music** into an interactive performance that educates about cultural diversity and racial stereotypes. Hmong storyteller, comedian, and rap artist, **Tou Ger Xiong**, will take you on a journey of his life from the jungles of Laos, to the refugee camps of Thailand, and to the public housing projects of America. Tou Ger has been featured on national television and radio and was recently referred to as the “*the Hmong version of Chris Rock, Jim Carey, and Snoop Dogg—all stirred fried into one.*” He has taken his program to over 1500 audiences in 44 states in the past 10 years, not to mention he is the only Hmong Elvis, Michael Jackson, and James Brown impersonator in the World. It’s one hip-hopping cultural experience not to be missed.
